Light globe 8 watt Compact Fluorescent

Cable length 2-3 meter
Cable colour White

Ceiling rose
Diameter 90 mm
Colour White
Material steel

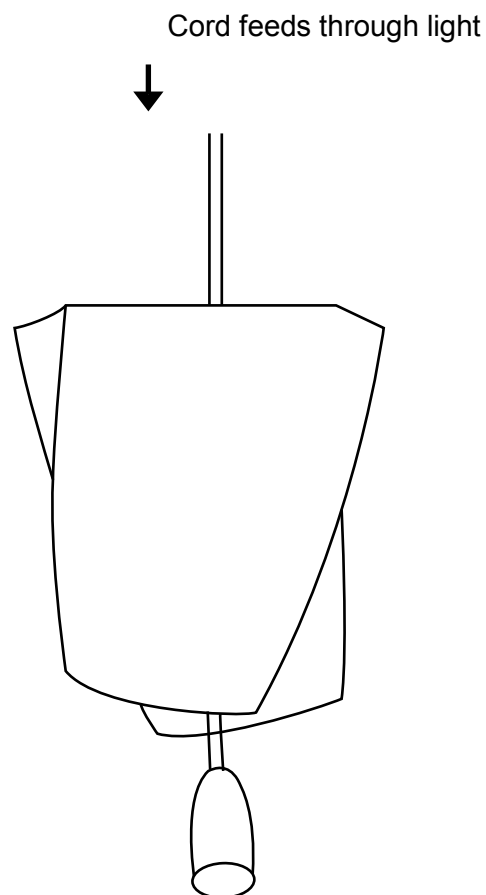

Packaging (mm) 390 x 210 x 500

Weight 0.5 kg

F!NK Kimono Light installation

Installation should only be done by a qualified electrician. Each Kimono light comes with a light bulb (8-11 watt warm white bayonet), mounting plate, covering plate, 3 x screws, 3 x toggles. The screws should be used when installing into timber or ceiling rafters and the toggles for Gyprock plasterboard.

↓ **To change bulb:** Pull cord and light socket down through the light opening. Socket locks into edge of opening so the bulb can be changed.
